Please sign me up for the payment plan in which 50% of my **balance** will be charged on or near May 21st, 25% will be charged on or near July 1st, and the remaining portion due on or before August 1st.

EXCEPTION: If you are not attending camp in August, your remaining balance must be paid by July 1st. Therefore the split would be 50 % May 21st & 50% July 1st.

Camper Name(s) _____

Parent Name _____

PLEASE NOTE: The payment plan was designed to assist families that need to spread out their payment. Dates are NOT permitted to be dropped after June 1st as we have staffed and planned according to our camper numbers. Any dropped dates after June 1st will not be refunded.

Permission to use credit card (we cannot use E-checks for payment plans)

Please scan and email back completed to directors@campjames.com before May 17, 2020. We will send an email confirming we received it so if you don't get a confirmation, be sure to reach out to us.

Our online system uses automatic billing so it is imperative we get this prior to June 1st when balances are due in full for anybody NOT requesting a payment plan.

NOTE: Our system will automatically charge the amount due on the dates specified above (May 21st, July 1st, August 1st). DO NOT log on to your account a day or two before and make the payment yourself as the system will still charge you. If you wish to make a change, be sure and speak with a Camp Director first.

Thanks for spending your summer at Camp James! We appreciate your patronage.
