

Camp James PARENT INFORMATION for 2022

As of now (May 23, 2022), we do NOT expect our campers to need to show proof of vaccination, test weekly or wear a mask. This is subject to change based on the pandemic, CDC and state guidelines.

Location:

Camp James 101 N. Bayside
Newport Beach, CA 92660

For those of you familiar with Newport Dunes, do not go to the regular Dunes entrance as camp has a private entrance on the Marina side. We are located off Pacific Coast Highway and Bayside Drive inside the Newport Dunes Marina. If the guard gate arm is down, press the button and let them know you are there for Camp James.

DRIVE THRU Drop-Off Procedure 8:30 am – 9:45 am:

- Gain an extra 30 minutes at camp by utilizing the Drive Thru Drop-Off that opens at 8:30 am. Please keep your children in the car until a staff member has checked them in. Parents need to remain in the car so please apply sunscreen prior to arriving and have their camp bags accessible to grab and go.
- Drive Thru will close at 9:45 am since the staff have to report for the campers. Late arrivals need to park in our gravel lot and walk into camp and check in at First Aid. The parent/driver will need to walk the camper(s) to wherever their group may be at that time.
- Medications and Epi Pens need to be dropped off at the First Aid station and requires you to park in our gravel parking lot and walk over to the front of camp to First Aid. Medications must be in the original bottle and have a medication form (that you can access on the [camp website](#) or fill out at camp).

- If you wish to walk in your camper, that option will be available this summer starting at 9 am.
- Campers arriving after 9:45 am will require the parent/driver to walk the camper(s) to wherever their group may be at that time.

Pick-Up Procedure 3:30 pm – 4:30 pm:

- During your online registration, you created a family security code word. For your child's safety, only individuals who know this word will be permitted to pick up your child.
- The code word must be given to the staff at pick up and then your child will be released back to your care. You can double check your code word by logging on to your account and clicking on the Additional Information tab.
- If you have a possible pick up situation (custody issue) please contact our office.

sentimental or high monetary value. We recommend that phones remain at home as these items are not conducive for group interactions ... and may fall in our lovely bay!

- Camp James is not responsible for any personal items that may be lost, stolen, broken, covered in chocolate pudding, or dropped in the bay (including Pokemon Cards, Pop It, Legos, lanyards, tree cookies).

Camper Expectations:

- Campers are expected to be able to feed, clothe, and toilet themselves.
- Diapers for health reasons (even for individuals with special needs) are not to be worn in the pool.
- Campers will engage in heavy physical exertion due to the nature of our activities as well as traverse rough terrain to reach several program locations. Alternative activities can be provided if medically necessary.
- Campers need to be able to follow instructions including covering their mouth when coughing, keeping their hands to themselves, washing their hands as directed, and so forth.
- We have a no cell phone policy at Camp James for campers. This digital detox has worked wonderfully especially for our pre-teens! The office as well as our staff have plenty of phones in case of emergency. Aside from the fact that they could get lost or stolen, there is a fundamental problem with campers having cell phones at camp, and that is trust. When children come to camp they – and you – are transferring their primary care from you as their parents to their counselors. As children learn to trust other caring adults, they grow and learn to solve some of their own challenges. We believe this emerging independence is one of the greatest benefits of camp. Campers are permitted to call their parents from the office whenever they need to. Thanks for your support and understanding of this policy.

Conduct:

Campers are expected to behave with respect and courtesy when dealing with others. Campers may be sent home for the following:

- Should the Camp Administration request for a child to be picked up from camp, parents are expected to do so in a timely fashion. Failure to pick your child up in a timely fashion may result in the child's removal from camp for future days.
- Parents will be called first. However, it is important to list alternate emergency contacts other than parents.

VIPunkies: The Punkies Program is for campers who register for 6 weeks or more of camp. This program, named by the Founding Punkies in 2003, includes special benefits like a tree cookie name tag like our staff wear, special crafts, additional time at activities, and a variety of other little perks INCLUDING REDUCED PRICE if you book all 6 weeks prior to 2022!!! We are firm on the 6 weeks requirement. While bribes to directors are appreciated, these will not change the Punkie status requirements.

Animals/Pets: Please do not bring animals or cute little pets to camp.

Purpose of Camp:

The Camp James philosophy is Be Kind. Be kind to yourself, others at camp, the equipment, and the environment. Our mission is to help children develop social skills and make friends in a positive, supportive, and active atmosphere. Our camp offers a variety of activities that may be new for many children which allows them to overcome their fears and gives them a sense of accomplishment as well as new skills. Our staff work hard to create a special community for their group each week and we try to have teambuilding exercises and activities throughout the day to help children develop better skills of communicating, problem solving, turn taking, as well as patience and empathy.

Contacts: Please feel free to contact the directors at any time. The best time to contact the office while camp is in session is during the hours of 10am to 2pm.
